

Pest Armor™ Gutter Protection Panels

By Animal Control Solutions

MANUFACTURER'S LIMITED LIFETIME WARRANTY

Pest Armor™ Material Warranty

Pest Armor Gutter Protection, warrants that with proper maintenance, the finish on Pest Armor Gutter Protection will not peel, flake, chip or crack for as long as the original registered purchaser lives at or owns the property described on the registration certificate and subject to the limitations set forth below.

Pest Armor™ Performance Warranty

Animal Control Solutions, Inc. (ACS) warrants to the purchaser, that Pest Armor Gutter Protection will keep gutters from becoming clogged and overflowing as a result of the interior of the gutter and downspouts filling with debris such as leaves, twigs, needles, or seeds, subject to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this Warranty. Pest Armor products are engineered to transfer all but inconsequential droplets of run-off water into the gutter when properly installed and maintained. It is the responsibility of the installing dealer to assure that the Pest Armor panel is performing as designed and has been properly installed.

Conditions

For these warranties to apply it is required that your gutters first be thoroughly cleaned. Gutters must also be properly sloped, downspouts and underground drains must be cleared of any debris or obstructions and any downspout screens must be removed. All warranties will be null and void if Pest Armor Gutter Protection is not properly installed by an authorized Pest Armor Dealer.

Exclusion to Warranties

These Warranties are granted to the initial retail purchaser and transferable with proof of transfer only, and cover only the manufacturing defects as specified herein. Warranties cover manufacturing defects only, and they do not cover any other damage or material failure including, but not limited to, normal fading, damage caused by conditions beyond the control of the manufacturer, such as improper installation, settling of the building, failure of the structure (including foundations and walls), use of incompatible equipment, chemical pollutants, salt, fire, flood, ice dams, lightning, windblown objects, earthquakes, hurricanes, atmospheric conditions or other catastrophic weather as defined by the U.S. Weather Bureau, other acts of God, intentional acts, unreasonable use or failure to provide reasonable maintenance. Animal Control Solutions, Inc. does not warrant and will not be responsible for any costs, defects or damage with respect to the removal or re-installation of Pest Armor Gutter Protection products or components. The geographical location, the quality of the atmosphere and regions where hardwood tree tassels and/or pine resin are prevalent in excessive amounts, the top surface of Pest Armor Gutter Protection must be periodically cleaned to prevent debris build-up. Under these conditions, Pest Armor Gutter Protection should be sprayed off with an ordinary garden hose or pressure hose, from the ground, to maintain performance excellence.

Warranty Claims

Claims for defects under this warranty must be sent to the installation company for service and resolution. Service calls for non-warranty repair or adjustment may result in a service charge. Installation companies will contact Supplier of product with proof of purchase to initiate warrantee process.

Remedy and Rights

Animal Control Solutions liability under this warranty is limited to repair or replacement of the Pest Armor Gutter Protection section(s), at its option, for the failing parts of the system. If, after you have submitted your claim, it is determined by Animal Control Solutions that the product has failed due to manufacturer's defects, Animal Control Solutions will, at no charge, replace the defective Pest Armor Gutter Protection section(s). Free shipping of these replacement parts will also be included.
