

ECOLOGICALLY SOUND SOLUTIONS TO PEST PROBLEMS

ARMADILLO SCRAM™

Granular

COVERS UP TO 13,200 SQUARE FEET!

PROFESSIONAL

ARMADILLO REPELLENT

Designed & formulated for professional use:

- Pest Control Operators • Landscapers • Grounds & Golf Course Superintendents
- All Landscape Installation & Maintenance Professionals

APPLICATION INSTRUCTIONS: Apply using a rotary spreader. Apply at a rate of one pound per 600 square feet. Cover the area where armadillo damage has been observed and/or is occurring. Extend the coverage to about thirty (30) feet around and beyond the damaged area. For lawn and garden areas of 5,000 or less square feet, we recommend covering the entire area. Hand sprinkle, using the scoop provided, within damaged garden plots and beds. Look behind shrubs and along buildings for excavated nesting areas and apply liberally within them. If burrow entrances can be located, drop a half scoop into each hole and flush down thoroughly with water. Lastly, water full application in for 5 minutes. Reapply Armadillo Scram Pro in 14 days after the initial application and then every 30 days or as needed. Heavy or extended periods of rainfall will shorten the effective period. *SEE FULL APPLICATION INSTRUCTIONS INSIDE.*

PRECAUTIONARY STATEMENTS: Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water 15-20 minutes. Call Poison Center or doctor for treatment. **Storage:** Store in original sealed container. Do not contaminate water, food or feed by storage or disposal. Do not apply directly to water. **Disposal:** Do not reuse empty container. Dispose of properly. Buyer assumes all responsibility for safety & use not in accordance with directions.

Net Wt.
22 lbs.
(9.98kg)
