*** Fresh Frozen

**** Fresh Frozen, not spoiled or rotten, a well packed gallon, field mice only, no white lab mice

* Primarily due to the severely depressed fur market, and some States current restrictions on fisher & marten trappers, there is a DECREASED demand for this item.

All packages, bottles, jars, containers of any sort MUST be labelled with owner's name, contents & telephone number. Otherwise, WCS will not be held liable for their receipt.

We would STRONGLY ADVISE that any glands, parts, essence are SHIPPED on a Monday it doesn't sit in a Post Office or warehouse over a weekend. So it is moving all the time !!
