

Education Overview

2023 WILDLIFE EXPO

FEBRUARY 7 - 9, 2023 | MYRTLE BEACH, SOUTH CAROLINA

Join the National Wildlife Control Operators Association (NWCOA) and the National Pest Management Association (NPMA) for an educational program that will provide both technical and business-related information to professionals who are involved in wildlife management or are considering offering this valuable add-on service.

The program at the Wildlife Expo combines training and education with networking opportunities and the chance to check out the newest technology and services in the Exhibit Hall. Whether you are a large company or a one-man shop, use this opportunity to grow this segment of your business by attending this unique meeting.

Room Rate: Group Rate Code to be announced

It has been brought to our attention that NWCOA attendees are being contacted by a third party to make hotel reservations. This is a SCAM. Please only make reservations via the link or phone number above.

THE EXHIBIT HALL

A centerpiece of the meeting is the Exhibit Hall — the largest tradeshow dedicated to wildlife and nuisance bird management. During the program there are several events held in the Exhibit Hall that allow you ample time to meet with vendors and test out new products in an intimate setting.

CERTIFIED PROFESSIONAL TRAINING COURSES

In conjunction with the Wildlife Expo, NWCOA is offering Certified Professional Training Courses for technicians. This unique opportunity is only available at the Wildlife Expo. After completion of any course, the student will receive credentials, use of the logo mark in marketing materials, and a certificate of completion. These courses are offered at an additional fee, and you can pick and choose which ones you would like to attend on the registration form.
