

## **LIMITED WARRANTY**

Universal Select-A-Catch, LLC (“USAC”) warrants to the original owner-user (“Owner”) of its foot snaring device(s), the “Product”, (excluding the Select-A-Catch® patented snares) that such Product sold by USAC will, under normal use and service, be free from defects in material and workmanship for a period of 90 days from the date the Owner received the Product from USAC. The Select-A-Catch® patented snares are not covered under any warranty, express or implied, other than those set forth herein.

To establish a claim, the Owner may be required to return the Product for inspection to determine the allowance of a claim. USAC will then inspect the Product and make a final determination as to whether the Product is covered under this Limited Warranty. Improper or incorrectly performed maintenance or repair voids this warranty. Any modifications to the Unit will void this Limited 90-day Warranty on parts and workmanship with normal wear and tear. In no event shall USAC’s liability to Owner exceed the price paid by Owner for the Product claimed to be defective.

This Limited Warranty shall be void and of no effect in the event that: (i) the Product was not installed, used, applied, maintained and/or operated in compliance with USAC’s written documentation; (ii) the Product has been subjected to misuse, negligence, accident or abuse; or (iii) unauthorized modifications are made to the product.

USAC snares are designed to be used with the SAC 1000 unit. USAC will not be liable for damages caused from using other snares with our product. This Limited Warranty does not cover the Owner’s use of replacement parts, repairs, or maintenance that is inappropriate for the product.

Installation, operation or use of the Product for which this Limited Warranty is issued shall constitute acceptance of the terms of this Limited Warranty.
