GRANULAR SNAKE REPELLENT

For All
Season
Use

DIRECTIONS FOR USE: APPLY 1 LB. PER 300 SQ. FT. Apply by shaking granules in and around the area to be protected. **DAY ONE:** Apply to entire area where snakes have been observed and are known to inhabit. Apply beyond the area by 6 feet. The product should repel snakes immediately. **DAY 14:** Reapply the same as Day 1. Reapply after heavy rains. May be used in any climate or temperature. **DAY 30:** Apply a 6 ft. perimeter application to the inhabited area to keep the snakes from returning. Reapply after heavy rains. May be used in any climate or temperature. Snake Scram™ Professional is effective in deterring & repelling most snakes, including many poisonous species. Avoid contact with or handling of snakes if you are unfamiliar with snake species and their proper handling. While most snakes are harmless, many varieties can strike and bite if surprised or disturbed by human activity. Also, several species in the United States are poisonous & can be harmful if they bite people or pets.

PRECAUTIONARY STATEMENTS: Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water 15-20 minutes. Call Poison Center or doctor for treatment. Storage: Store in original sealed container. Do not contaminate water, food or feed by storage or disposal. Do not apply directly to water. Disposal: Do not reuse empty container.

Dispose of properly. Buyer assumes all responsibility for safety & use not in accordance with directions.
